Link an external account

We can't add this Chase account because it's linked to another profile.

Please call us at 1-800-935-9935 to confirm your identity and payment. Ask us about linking your profiles to prevent this from happening again. Or, go to "Profile & settings" to link this account yourself. (Error code: 53060)

Add a checking or savings account manually

To add an external checking or savings account, please tell us your routing number, account number and other details.

Routing number 267084131

0 of 9 characters remaining.

This 9-digit number on your check identifies your bank and tells us where to find your account.
